## EXPERIENCE

### Intern

CDAC - Chennai                                    June 2023 - July 2023

- Developed a cloud deployer tool using HTML, CSS, Bootstrap, and Django.
- Implemented front-end designs using HTML, CSS, and Bootstrap, ensuring responsive and visually appealing layouts.
- Utilized Django to build the back-end functionalities, enabling seamless interactions between the user interface and cloud infrastructure.

### Internship Trainee

Coincent                                          May 2022 - July 2022

- Developed an E-Commerce Web Application using HTML, CSS, Bootstrap.
- Implemented front-end designs using HTML, CSS, and Bootstrap, ensuring responsive and visually appealing layouts.
- Documented the project architecture and user instructions for future reference.

## PROJECTS

### Web Based Cloud Deployer Tool

Developed a cloud deployer tool that simplifies the process of deploying applications to cloud environments.
